

PEIRCE MILL, WASHINGTON, DC

ALMOST 200 YEARS ON ROCK CREEK

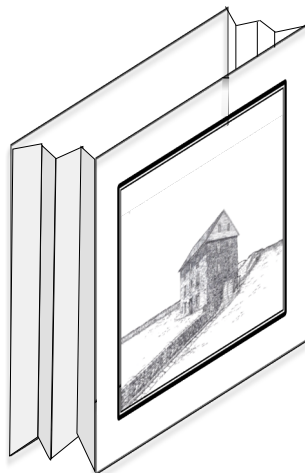

SIDE

MAKE A PEIRCE MILL DIORAMA

- 1) Cut this page in half along dotted blue line.
- 2) Cut off the two SIDE pieces along dotted blue lines.
- 3) Fold each of the SIDE pieces along lines like fans.
- 4) Carefully cut out the area around the mill on the dotted blue lines.
- 5) Draw a landscape background for the mill on the back of these directions.
- 6) Color in the mill and the mill yard.
- 7) Decorate the frame.
- 8) Assemble the diorama as shown, using glue or tape to connect pieces.

Materials
