I Catered for the best people of Pheonix Ariz., and kept boarders 6 (six) years, from 1901 to 1907, then I went to Tucson Ariz., took charge of a big Hotel- the San Augustine, from the San Augustine Hotel I kept a small club for a few of the select business men of Tucson from which sprang the largest club in Arizona, "The Old Pueblo" of which I was stewardess for several years for such men as The Honorable Carl Hayden, The Honorable Marcus Smith, The Honorable Ashurst, Gov. Hunt of Ariz., Ex- Gov. Murphy, The Hon. Eugene Ives, of New York, Mr. Epps Randolph President of the Arizona Eastern Rail-Road., also Mr. Krutchnett, jr Rail-Road official of the S.P; Ry Co. I also demmonstrated the peerless flour, the snow-drift and wesson oil for the leading stores of Tucson Ariz, Took charge of the luncheonett in the Albert Steinfeld whole sale and retail department store one of the largest in Ariz., I am known throughout Arizona as a competant cook and manager. during 1917 and 1918 he Commanded B"Company 368th Infantry at Camp Meade Md., and was Honbly<sup>a</sup> discharged by reason of physical disability incurred in line of duty, he has 18 years previous military service and a former soldier and Non-Commissioned Officer of the 10th Regiment of U.S.Cavalry, he is 75 per cent physical incapacitated.

I had occasion to be at Pierce Mill and I am sure I can certainly make quite a few profitable changes and improvments upon the way it has been managed I also in addition to making the business a success propose to make the resort attractive and thereby improve the value of the same.

Yours very respectfully.
